WORKING PAPER

GUIDED MISSILE AND ASTRONAUTICS INTELLIGENCE COMMITTEE

15 OCT 63

**MEMORANDUM FOR: Director, National Photographic
Interpretation Center**

**SUBJECT: Support for ABM Panel,
24-26 October 1963**

1. The USCIB has directed that a panel of experts be convened under GMAIC auspices to consider the evidence and community conclusions concerning the Soviet ABM problem. [redacted] has agreed to serve as chairman of this Panel and meetings are scheduled for 24, 25 and possibly part of 26 October. Evening meetings are planned on the first two days.

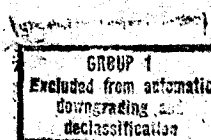

2. Your support of these meetings is requested. This will involve providing graphics as requested by individual briefings (possibly through various agency elements at NPIC) and making available the services of personnel knowledgeable in the ABM field to attend the Panel meetings. These persons should be prepared to provide detailed information on pertinent areas should questions arise from the Panel. An agenda is being forwarded through other channels for your information.
